

Subros resumes supplies to MSIL

This is to inform that there was a fire accident in one of the plants of the Company situated at Plot No. 395-396, Manesar, Haryana on Sunday May 29, 2016. The fire was controlled, however, it has severely impacted the building, stocks and plant & machinery. The insurance company has been informed accordingly.

The Company has reinstated full supplies to its customer Maruti Suzuki India Limited from the Company's other plants at Noida, Pune and Chennai from mid June, 2016. Further, the Company is working on fast-track basis to re-build the Manesar facilities.
