

Mr. Saurabh Suman of Subros Ltd. being awarded as Engineer of The Year 2021-22 by SAEINDIA Foundation

We are delighted to announce that Subros' team member, Saurabh Suman has been awarded the prestigious 'Engineer of The Year' award by the SAEINDIA Foundation.

Founded in 1994, The SAEINDIA Foundation is a trusted think-tank that advises policy makers on mobility-related matters. It is also one of India's most renowned technical bodies for knowledge dissemination and skill development of mobility professionals, students, and faculty. The SAEINDIA Engineer Of The Year award recognizes and celebrates individuals who have significantly contributed to the advancement of the mobility community in India.

Saurabh is an engineer par excellence. His professional graph has witnessed tremendous success. We are proud of Saurabh for this impressive achievement and wish him the best as he continues to excel at Subros!
