Dear Sir/Madam

Sub: SUBROS makes an entry into Truck Cabin AC business/Blower

This is with reference to regulation 30 of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015, we give below the update:-

New Delhi October 30, 2017: During the past year, Subros Limited has intimated its investors and stakeholders about the impact of notification(s) issued by the Ministry of State for Road Transport and Highways. The notice stated that all N2 (3.5 to 12 tonnes) and N3 (above 12 tonnes) category trucks should be equipped with air-conditioned cabins w.e.f. April 1, 2017. However, due to implementation of BS IV on April 1, 2017, the deadline for this notice was revised to December 31, 2017.

On August 8, 2017, the Ministry released a draft notification that requires all N2 & N3 category vehicles to be equipped with air conditioning system or ventilation system conforming to requirements of AIS 056 (Rev 1): 2017 effective from January 1, 2018. The "AIS 056 Requirements of Truck Cabin Ventilation System for Category N2 & N3 Vehicles" provides guidelines for natural and forced ventilation. This includes the guidelines for both OE and third party built cabs.

In this regard, we are pleased to announce that Subros Limited has acquired businesses for Blower assembly from Ashok Leyland, Swaraj Mazda Isuzu, Mahindra Truck and Bus Division and Tata Motors Limited.

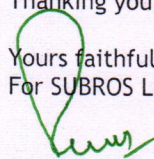

In addition, few of these customers are choosing air-conditioning fitment as an optional action. In the coming year, the new business opportunity will add approximately Rs.175 Crores to the top line of Subros Limited.

Subros Limited, founded in 1985 as a joint venture public limited company with 40% ownership by Suri family of India and 13% ownership by Denso Corporation & Suzuki Motor Corporation each, is the leading manufacturer of thermal products for automotive applications in India, in technical collaboration with Denso Corporation, Japan. The Company is the only integrated manufacturing unit in India for Auto Air Conditioning systems and Thermal Products. Subros Ltd. manufactures compressors condensers, heat exchangers and all connecting elements required to complete AC loop and caters to all segments viz. Passenger Vehicles, Buses, Trucks, Refrigeration Transport and Railways."

This is for your information and record please

Thanking you,

Yours faithfully,
For SUBROS LIMITED
